

RALLY MEET HAS BIG ATTENDANCE

Delegates from 100 Churches Gather at Y. M. C. A.

More than 500 boys and men gathered at the rally exercises of the older boys' crusade held in the assembly hall of the Y. M. C. A. Building yesterday afternoon, the number including delegates from nearly a hundred Sunday schools in the District. Encouraging reports of progress were received from practically every church, and the work of the movement, which contemplates bringing into the Bible classes 1,000 young men from sixteen to twenty years of age not now connected with them, is well under way.

Among the methods that have been adopted in the local churches to increase Sunday school membership have been the formation of competing teams, each of which is to try to bring the greatest number of boys into the church; the establishing of new classes especially fitted for the needs of the growing boy, and the preparation of "eligible lists" of boys to be visited by the volunteers of the crusade. The First Presbyterian Church has opened a gymnasium and formed a basketball team. Innovations which have done much to hold the interest of young men, and the formation of special classes with attractive clubrooms has also proved effective. The boys' class at Immanuel Baptist Church has nearly tripled in the last few weeks.

After a brief song service and a series of prayers by a number of the boys present, the Rev. H. S. Pinkham, of Immanuel Baptist Church, delivered an inspiring address.

The reports from the various churches followed. Mr. Pinkham's address on Saturday evening, the Rev. H. S. Pinkham will conduct the training class for teachers of boys' Bible classes, which will meet at the Y. M. C. A. Building.

GRAND JURY TO GET FACTS.

Evidence Against James Smith to Be Presented To-day.

The grand jury probably will have laid before it this morning all the evidence thus far adduced against James Smith, the Mickle murder suspect, in the cold-blooded assault perpetrated on Morris Bennett, the Fairmont Heights grocer.

The evidence has been carefully prepared by Assistant Attorney General Harvey Green. Police officials are confident they have a strong case against Smith for the Bennett assault, but admit that he will never face trial for the murder of Mickle.
